GUIDELINES FOR PREPARING A BID FOR THE 2026 CANADA 55+ GAMES

BID SUBMISSION

Please complete and forward one written copy and an electronic copy of the Bid Application to:

The President
Canadian Senior Games Association (CSGA)

Phone: 1-506-388-9400 **E-mail:** raybab1988@gmail.com

Applications to host the 2026 Games must be received no later than **April 30, 2023**. In addition, communities submitting written bids must be prepared to verbally present their bid to the CSGA Directors at the 2023 AGM to be held in Quebec City, Quebec in August 2023.

INTRODUCTION

This document will assist communities in gaining an understanding of the Canada 55+ Games and thus in determining if they feel their community would be interested in and able to host future Games. Specifically, the information contained in the following pages will provide the necessary guidelines to prepare a bid application to host the 2026 Canada 55+ Games.

A multi-event games, the Canada 55+ Games are open to adults aged 55 years and over as of December 31 of the year in which the Games are held. It is the responsibility of each province/territory to determine the process of qualifying participants for the Games.

The Games combine a focus on social, physical, and psychological involvement with premier events and, in turn, encourage older adults to remain involved whether as participants or volunteers.

The primary partners in the staging of the Canada 55+ Games are the Canadian Senior Games Association (CSGA) and the Host community which establishes a committee to recruit and activate the many volunteers required to run such an undertaking. The Host signs an Agreement with the CSGA which outlines the commitments and responsibilities of both organizations.

The Games are four days in duration and are usually held the second last week of August, every two years (even numbered years).

Late August has appealed to most Host communities in the past, as school buses and drivers are more readily available for local transportation as well as educational facilities and teachers are available to hold and assist in administering the Games.

To set the stage for delivering the Canada 55+ Games, below is information about the Canadian Senior Games Association, the sanctioning body for these Games. It is our expectation that the delivery of these Games will be reflective of the vision, mission, values, and guiding principles of the CSGA.

ABOUT THE CSGA

The CSGA is dedicated to enriching the lives of older Canadian adults (55+) through participation in the Canada 55+ Games which encourages social connection and active, healthy lifestyles. It is responsible for the successful delivery of the Canada 55+ Games every two years and works with each Host to ensure the best quality Games possible.

The CSGA began in 1996, with the very first Games hosted in Regina, Saskatchewan, and the level of participation has been growing ever since.

The volunteer Board of Directors is comprised of a Director from each CSGA member province and territory. Currently, this includes all provinces and territories except for Nunavut and Newfoundland/Labrador. It is hoped they will join us in the near future.

There is also a volunteer Technical Director who supports the Host to ensure high quality competition. See CSGA website for list of Directors:

www.canada55plus.ca

CSGA Vision

We envision that the Canada 55+ Games enrich the lives of participants and host communities across the country and is widely recognized for its unique model of fun, friendly competition and social connection and for its significant influence on promoting active, healthy lifestyles to adults 55+ in Canada.

CSGA Mission

As stewards of the Canada 55+ Games, we oversee the successful delivery of high quality Games, offering a blend of events that are physically active and mentally challenging, while promoting the Games as an avenue which encourages active, healthy lifestyles for adults 55+ in Canada.

CSGA Values and Guiding Principles

The Games:

- are a catalyst for promoting active, healthy lifestyles to adults 55+.
- promote social interaction and provide opportunities to support active, healthy living.
- provide motivation for adults 55+ to develop and continue healthy lifestyles between Games.
- provide an opportunity for adults 55+ to try something new.
- promote positive self-esteem and potential mastery.
- provide an opportunity to see other parts of Canada.
- enhance civic pride in a host community.
- provide a significant opportunity for community development and volunteer involvement.

Participant-centered Games: We believe in the concept of a “*participant-centered*” Games; that is, respecting participants, never forgetting they come to us by choice and planning the Games accordingly.

Senior Friendly Games: We believe that there are opportunities to provide positive experiences through careful consideration of the 55+ demographic when planning the Games.

Fun and Safe Games: We believe all Games-related events should be fun and safe for all participants.

Balance is Key: We believe that the Games must retain a balance of physical, mental and social activities as the camaraderie is truly one of the Games’ greatest outcomes and that reinforcing the sense among participants that, “win or lose” they are all winners, is paramount.

Fair Play: We believe in fair play characterized by equity, integrity, trust, and respect.

Proper Planning: We believe in proper planning to ensure maximum efficiency and effectiveness of the CSGA, its programs and resources.

Inclusion and Accessibility: We believe that both inclusion and accessibility are essential to successful Games.

Accountability: We believe that the CSGA must strive to be accountable and responsive to the needs of Games participants, partners and stakeholders and we must deliver on what we say.

BACKGROUND INFORMATION

Provinces and Territories that are currently members of the CSGA:

Alberta	Ontario
British Columbia	Prince Edward Island
Manitoba	Quebec
New Brunswick	Saskatchewan
Northwest Territories	Yukon
Nova Scotia	

Non-member participants from Newfoundland/Labrador and Nunavut have participated in past Canada 55+ Games and we are hopeful that they will participate again at future Games.

The first Games, originally known as the Canada Senior Games, originated in 1996 - the following list provides a history of the Games since that time:

1996	Regina, Saskatchewan
1998	Medicine Hat, Alberta
2002	Summerside, PEI
2004	Whitehorse, Yukon
2006	Portage la Prairie, Manitoba
2008	Dieppe, New Brunswick
2010	Brockville, Ontario
2012	Cape Breton Regional Municipality, Nova Scotia
2014	Strathcona County, Alberta
2016	Brampton, Ontario
2018	Saint John, New Brunswick
2020	Cancelled due to Covid-19
2022	Kamloops, British Columbia

Of most significance, is that the number of participants/non-participants has risen sharply over these years, starting with approximately 350 in 1996 to over 2500 in 2022. The reasons for this increase are twofold; the Games have grown in popularity across the country at all levels and secondly because the baby-boomer generation has joined our throng, giving us many more prospective participants.

Our intent up to the present was to try to bring the Games to the smaller communities in the country, but it is becoming apparent that in order to comfortably accommodate the growing numbers, we are having to look at larger communities and ones that are located relatively close to major airports, rail and bus outlets. This is not to say that smaller communities will not be considered, but they will have to be innovative in their approach to accommodation and transportation issues.

BID APPLICATION GUIDELINES

Communities interested in hosting the 2024 Canada 55+ Games are asked to prepare a formal bid application for submission to the Canadian Senior Games Association (CSGA). Guidelines for the bid application are provided below.

INTRODUCTION

Please include the following information as an introduction to your bid application:

- Name, population, and geographic location of the community.
- Name of community representative to be contacted regarding the bid.
- Reasons the community is interested in hosting the Canada 55+ Games.

COMMUNITY SUPPORT

Community support is critical to the success of the event. It is therefore important to indicate the types of support your community is prepared to commit to the Games Organizing Committee.

Please include the following in your bid application:

- Resolution of the City Council indicating support for the bid application.
- List of support agencies which are prepared to support the bid and the types of support to be provided by each.
- List of major events, including sporting events where possible, previously hosted by the community to include:
 - Name of Event
 - Number of Participants
 - Number of Volunteers
 - Name and address (e-mail if possible) of a contact person.

HUMAN RESOURCES

The Host will need to recruit, train, and direct the efforts of 500 to 600 volunteers, depending on the number of participants expected (a ratio of 1:4 volunteers to participants is recommended), in order to successfully host the Canada 55+ Games. With these numbers in mind, outline the human resources which would be available to your organizing committee.

- Name of Games Chairperson/s
- Names of Municipal Government contacts
- Extent of Municipal Government's proposed involvement in the planning and operation of the Games
- Plan for staffing the Games office
- Plan for recruiting, coordinating and recognizing Games volunteers
- Proposed structure for the Games Organizing Committee
- Names of potential sub-committee chairpersons (if available at time of application)

OPERATION OF THE GAMES

The Canada 55+ Games will be a four-day, multi-event Games involving approximately 2000+ participants and 400 non-participants from across Canada. Please address the following areas of Games operations:

➤ Registration/Accreditation

Identify the necessary requirements and your plan for registering and accrediting Games participants/volunteers.

➤ **Accommodations**

Outline a plan for housing Games participants. Indicate the number of hotels/motels/B&Bs with the number of rooms each has available.

NOTE: Billeting of participants is not recommended, but for smaller communities, may become necessary. Please also indicate potential RV sites, number of spots, facilities, etc. We encourage the negotiation of room rates and the inclusion of same in the Bid package.

➤ **Food Services**

Outline a plan for ensuring participants at all venues are fed or have easy access to food during the event. List all available restaurants and catering firms. Large venues hosting more than one event should have short-term cafeteria arrangements if restaurants are not within reasonable walking distance from the venue or if transportation is not provided. Note that the Games Registration Fee includes food at the Opening and Closing Ceremonies and this is the responsibility of the Host. Otherwise, participants typically pay for their own food during the week, but the Host's role is to provide access to food for purchase.

➤ **Transportation**

Describe the accessibility to your community by highway, rail and air.

Describe your plans for transporting participants from the nearest airport, train or bus depot to the registration area and on to their accommodations.

Outline a plan for transporting Games participants to and from the competition venues, accommodations, and special events.

➤ **Public Relations / Marketing**

Identify the media resources available and the plan for involving each in the promotion and coverage of the Games. Identify what local attractions you foresee as being of interest to both participants and non-participants and what thoughts you have as to how you might best want to showcase these to them.

➤ **Ceremonies/Special Events**

Identify potential events and proposed venues. These must include, at the very least, Opening Ceremonies including a parade with the participants marching in with their Provincial/Territorial flags, and Closing Ceremonies including a closing sit-down banquet.

➤ **Facilities / Games Events**

List the facilities proposed for each of the potential events. Indicate the facility specifications, size, accessibility for persons with a disability, change rooms, concessions, etc. for each. Provide a municipal map showing facility locations and their location with respect to the places of accommodation. List the names of local sport organizations, educational facilities, senior clubs, etc. willing to offer the use of their facilities and to assist in running the Canada 55+ Games. Ideally, most facilities should be located within a 20-minute bus ride from accommodations.

➤ **Participant-centered / Senior Friendly**

A “participant-centered” Games is respecting participants, never forgetting they come to us by choice and plan the Games accordingly. There are opportunities to provide positive experiences through careful consideration of the 55+ demographic when planning the Games. Reference page 21 for examples.

➤ **Bilingualism**

Participants from all across Canada come to the Games by choice. Wherever possible, any communication / information for the participants / non-participants should be available in both official languages of Canada. Reference page 22 for examples.

➤ **Other**

We believe that the Canada 55+ Games is a win-win situation for both the participants and the Host. The community provides the venue where these individuals can 'strut their stuff' - they also become your audience for you to show off your attractions and your hospitality. Please let us know of any other thoughts or ideas that you may think would make this a week the participants will never forget.

GENERAL

This document is to be used in conjunction with the Host Agreement that will be signed by the Host and the CSGA within three months of the awarding of the Games. These two documents, along with the CSGA Hosting Handbook, will be the main guidelines for the Host to use in planning and organizing the 2026 Canada 55+ Games.

GAMES EVENTS

The Bid Committee will indicate the events that are planned to be offered if the bid is accepted. NOTE: The CSGA reserves the right to change / update the event lists.

Mandatory Events

The Canada 55+ Games will include all sixteen Mandatory events listed below. These events have been identified as the most popular amongst the provinces and territories from previous Games.

8-Ball Pool	Bowling – (Candlepin, 5 Pin, or Duckpin)	Contract Bridge
Cribbage	Darts	Duplicate Bridge
Floor Shuffleboard	Golf	Ice Curling
Ice Hockey (Men and Women)	Pickleball	Scrabble
Slo-Pitch	Swimming	Tennis
Track & Field		

Optional Events

The Canada 55+ Games shall also include a minimum of one and a maximum of six events from the following list of Optional Events:

Badminton (4)	Bocce (7)	Carpet Bowling (6)
Cycling (8)	Floor Curling (5)	Horseshoes (5)
Lawn Bowls (7)	Stick Curling (4/5)	Table Tennis (3)
Washer Toss (1)	Whist (4)	

NOTE: The number in brackets indicates the number of provinces/territories out of 11 that offer this event.

Bonus Events

The Host is encouraged to also include a 5K and/or 10K run that is open to all registered participants in addition to but on a non-interference basis with their main event of choice.

Demonstration Events

The CSGA may also consider the inclusion of a maximum of two other local sporting events that would be **unique** to the area where the Games are being hosted and of interest to the participants at large. These events would be considered Demonstration Events, are not to be competitive, are non-medaled and **MUST** be approved by the CSGA.

Note: The CSGA must approve the final list of events.

SELECTION OF EVENTS

In order to make it possible for communities in all regions to host the Games, the CSGA has had to place limits on the number of participants in as fair a manner as possible.

You are asked to select potential events you would host according to the instructions above. Although assessment of applications is based upon meeting the minimum requirements, communities are encouraged to not exceed the maximum limit of twenty-six (26) events.

PARTICIPANT-CENTERED & SENIOR FRIENDLY GAMES

Consider the concepts of “Participant-centered and Senior Friendly” Games.
(But not limited to the examples below)

Examples of “Participant-centered” (consider what is important to participants):

- arranged seating as a Team (Province/Territory) at the Opening/Closing Ceremonies
- hotel accommodations by Team (Province/Territory) if/when possible
- timely Transportation System; not too long on the buses
- drinking water available at all venues (free or to be purchased)
- food available to be purchased at all venues (on-site, close by or brought in)
- washroom facilities near competition areas at all venues
- cleanliness at all venues
- clear signage at all venues
- rules, information, results, and transportation schedule posted at event venues
- adequate and enough seating available at all venues

Examples of “Senior Friendly” (consider what is important to the 55+ demographic):

- accessibility at all Games venues (for walkers, wheelchairs)
- inclusivity (eg. “signing” for hearing impaired)
- greeted at airport – welcome hostesses/hosts who can guide to buses
- larger venue maps; bigger than map in participants program
- overall schedule not too tight – not too early in morning or too late at night
- easy to read/understand Transportation Schedules, Event Schedules, Results
- rest area seating at all venues, including Games Welcome Centre
- outdoor event venues: access to water and shade

BILINGUALISM

Also consider the concept of “Bilingual Games”.

Some examples are provided below, but are not limited to this list:

- Accommodations information
- Events schedules
- Games posters
- Games signage
- Health Form
- Opening & Closing ceremonies information
- Registration form & instructions / Participation waiver
- Special events information
- Transportation information & schedules
- Travel information
- Venues instructions, announcements & directions
- Website, Facebook and social media
- Etc.

BUDGET FORECAST

The budget forecast to be included in the bid should contain the following:

Expenses		Revenue
Administration	Protocol	Grants (All levels of Gov.)
Accommodations	Promotion	Corporate Funding
Ceremonies	Special Events	Gift In-kind/Services
Facility Rentals	Transportation	Registration Fees
Games Events	Volunteers	Other

Notes: 1. HST/GST to be added to all fees as required. 2. Fees subject to change.

- CSGA member participants registration fee has been set at \$130 and non-participant (spouse, family) \$90.
- Non-member participants (Newfoundland/Labrador or Nunavut) registration fee has been set at \$140 and non-participant (spouse, family) \$90.
- \$30 from each registration of a member province/territory participant and \$40 from each non-member province/territory participant's registration collected will be forwarded to the CSGA by the Host in two installments August 15 and November 30, Games year.
- \$15 from each non-participant registration collected will be forwarded to the CSGA by the Host in two installments August 15 and November 30, Games year.
- Additional Team/Individual Event Fees have been set at \$150 for Golf, Ice Curling, Ice Hockey and Slo-Pitch. (No HST/GST required)
- The Host Community must establish a Games website at least 15 months prior to the 2026 Games and link it to the CSGA website. This website must be cancelled within one year of the completion of the Games.
- The Host Community must provide a meeting room for the CSGA at no charge for the duration of the Games.
- The Host Community agrees to accept any financial loss resulting from the Games.

SUBMISSION FORMAT AND CHECKLIST

(Please place this at the front of your bid submission)

Please place the components of your bid submission in the order listed below when compiling your submission. It will expedite the assessment of your submission. Failure to include requested information may hinder the success of your submission. You are welcome to add any other information in support of your submission.
