

COMPETITION REGULATIONS

MUST be read in conjunction with event rules.

1. DEFAULTS

- Participants must be at their event site and ready to compete at least 15 minutes prior to the competition starting time.

2. PROTEST COMMITTEE

- Protests are to be submitted in writing and signed on the OFFICIAL PROTEST FORM which is turned into the Games Office or specific event coordinator within one hour after completion of the game/event/heat. The Protest Committee will rule on technical, rules-related disputes. The decision by the Protest Committee will be given in writing to the person who signed the protest form, with a copy to the Event Director. In general, a protest should be verbally indicated at the time of the occurrence, then followed within one hour of completion of the event by a formal written protest. The team manager/Director for the person or persons involved should be notified, so that input can be given, before any final decision is made.

A protest form is included in this Master Rule Book on page 000. The Host MUST ensure that these forms are available at all event venues.

The Protest Committee shall be composed of a minimum of four people including the:

- overall person in charge of Games Events
- person in charge of the specific event
- CSGA Technical Director, and
- a non-partisan Host designate.

3. DISCIPLINARY COMMITTEE

- The Disciplinary Committee will be chaired by the CSGA Vice-President (or designate), the applicable CSGA Director and a designated member of the Host (most often the Games Manager). The applicable Event Coordinator or their representative should also be in attendance; but if unavailable due to ongoing games, their written report on the incident shall suffice.
- The Committee will administer the guidelines outlined in the Discipline and Complaints policy.

4. SCORING AND RESULTS

- In most cases, events will be run using a round-robin format (either single or double depending on time available), with the medalists being determined from the results of the round robin without the requirement for a play-off. If an event requires that a play-off system be used, the recommended procedure for conducting the play-off is detailed in this Master Rule Book.

- Gold, silver, and bronze medals will be awarded for all events. A medal count will be posted daily at the sites of all events.
- Final posted results for every event will include the standings of all participants, not just the medal winners.
