# **EVENT REGULATIONS**

## MUST be read in conjunction with event rules.

#### 1. GENERAL

- Participants come to the Canada 55+ Games for a variety of reasons, but most importantly to play the "event" of their choice and other participants from across Canada.
- The event schedule MUST indicate the Prov/Terr beside the participant's name.

### 2. THE DRAW

- When making the draw for any event, it is important to remember that the event must be a minimum of three (3) days. Exception: Cycling, Golf, Swimming and Track & Field
- For most events, a double round robin will suffice, but dependent on the number of participants registered, either a single round robin or in some cases a triple round robin may have to be used.
- If a very large number of participants are registered, then a two-division round robin can be played.
- In the case of Bowling, Ice Curling, Hockey and Slo-Pitch, dependent on the number of lanes, sheets of ice, ice arenas and diamonds respectively, these events may have to be extended into one or more evenings.
- The Host should endeavor not to have the same Prov/Terr teams/participants in the same pool and/or playing against their own Prov/Terr.
- Whenever possible, final medal games in all events MUST have the appropriate officials: referees, umpires, lines people, score keepers, etc.
- For most draws, scheduling from 9:00 am 5:00 pm will suffice. Participants also come to the Games to enjoy the social component in the evenings.

### MEDALS

- Gold, silver, and bronze medals will be awarded to first, second and third place respectively.
- All members of winning teams will receive a medal.
